

## STEPHENS MOLECULAR GROUP

# Optical qPCR adhesive film - 5,000 films

Product specification summary | Revision: 2026-10-14

|                       |                                  |
|-----------------------|----------------------------------|
| SMG SKU               | SMG-CRPC-SF-S                    |
| Supplier SKU          | CRPC-SF-S                        |
| Category              | Sealing Accessories              |
| Pack contents         | 5,000 films per case             |
| Minimum quantity      | 10 cases / 50,000 films          |
| Price per pack        | \$1,825.00 (US freight included) |
| Price per piece       | \$0.3650                         |
| Minimum product total | \$18,250.00                      |

## Technical details

Material: Request the supplier technical sheet for material confirmation.

Dimensions: 137 x 80 mm, length x width (catalog p. 74).

Sterility: Sterility is not confirmed for this SKU in the available documents. Request the required grade and lot certificate before ordering.

## Compatibility

The supplier describes this film as suitable for optical qPCR. Confirm optical channel, plate surface, sealing method and instrument requirements for your application.

## Ordering & fulfillment

Listed prices include overseas freight and delivery to your US shipping address. SMG covers any additional freight cost; no freight surcharge will be added after checkout. Applicable taxes are additional and calculated at checkout.

Estimated overseas lead time: 6-7 weeks. Schedule and start date are confirmed with the written order. For laboratory use only. This summary is not a lot certificate or a dimensional drawing.
