Technical details

Material: Polypropylene (PP), supplier catalog product-family specification. Confirm the current SKU grade with your quote.

Dimensions: Exact dimensions are not confirmed in the available documents. Request the supplier drawing before assessing fit.

Sterility: Supplier catalog marks this SKU as sterilized (p. 66). Packaging quantity remains subject to confirmation; request the lot certificate.

Compatibility

Confirm dimensions, material, handling requirements and assay or equipment compatibility before ordering. Contact SMG for SKU-specific technical details that are not shown in the listing.

Ordering & fulfillment

Listed prices include overseas freight and delivery to your US shipping address. SMG covers any additional freight cost; no freight surcharge will be added after checkout. Applicable taxes are additional and calculated at checkout.

Estimated overseas lead time: 6-7 weeks. Schedule and start date are confirmed with the written order. For laboratory use only. This summary is not a lot certificate or a dimensional drawing.
